

Protest  
**Cap'n Traitor**

REPRESENTATIVE  
**GABBY GIFFORDS**

at her Tucson office on the  
south west corner of Swan & Pima

**July 17th**  
**from 4 to 6 PM**

This is your chance to  
show your displeasure  
toward those who haven't  
listened up to now,  
those that are sinking  
America's Economy!  
The House has already  
voted but it's time to send  
a warning to the Senate!

This is also your chance  
to send a warning to  
Gabby when it comes  
to upcoming  
Healthcare issues!

It's time to stand up and  
speak for Arizonans  
& Americans!

Bring your signs and water.  
Please remain on the  
sidewalks and don't block  
pedestrians.
